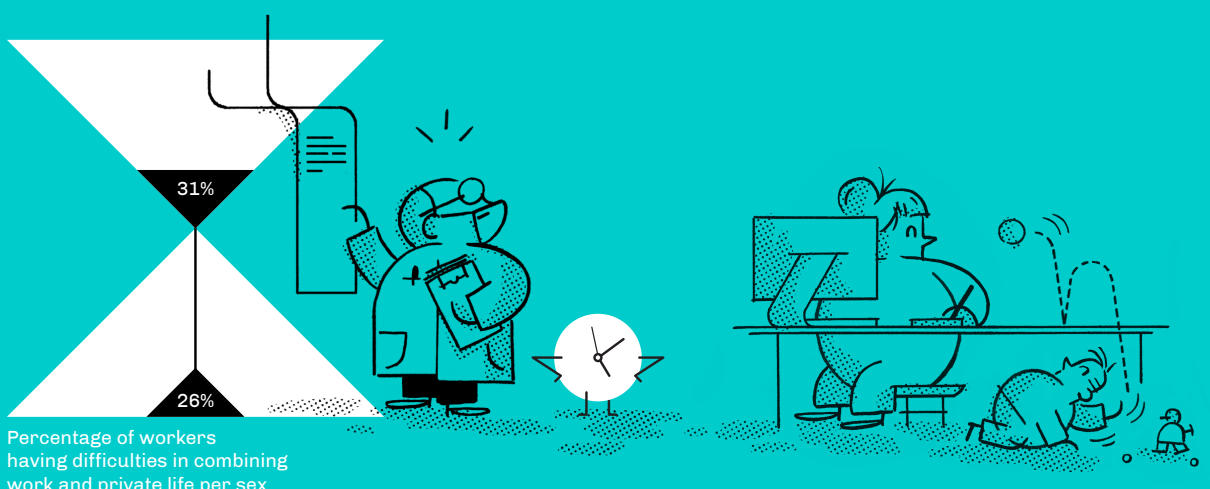
43rd IATUR CONFERENCE

TIME USE WEEK 2021



Percentage of workers having difficulties in combining work and private life per sex

Barcelona,
from 27 to 29 October 2021

Connecting time use research
with public policies, organizations and society

PROGRAM

TUE26

PRE-CONFERENCE ACTIVITIES

15:00h — 17:00h

PRE-CONFERENCE WORKSHOP BETWEEN MUNICIPALITIES AND RESEARCHERS

The workshop will join together political representatives and employees of city councils with IATUR researchers, that want to explore the synergies and connections between time use research and the time policies they want to develop. The exchange workshop will only take place on-site and cannot be followed online.
